Now Selling...Cabinets!

You heard it right.... Kimal Lumber now offers contractors and homeowners full-service cabinetry from design to installation. Whether you want to update your bathroom cabinets or are undergoing a full kitchen remodel to any space in between, Kimal Lumber can assist with the cabinets.

Why choose Kimal to supply and install your cabinets? Because we can offer the same focus on great service, expertise advice, attention to detail and quality care you can't get from the "big box" chains.

Let us transform your space with new cabinets! Visit our Sarasota Showroom and learn more about what Kimal can offer. Don't have time to stop by? You can visit our website, www.kimallumber.com, and read about our offerings. You can also submit a request online for our free consultation.

Kimal Lumber is super excited to take on this new journey and are looking forward to helping our customers with our new product line. As we continue to grow, we are driven by our customer needs and strive to stay current and uncover new and upcoming products that will allow both us and our customers to grow, thrive and prosper.

It would be our pleasure and an honor to assist you with your next cabinets project.

Respectfully,

Clark Willis, Regional Sales Manager Kimal Lumber
