

"Embracing Hope: The Power of Giving"

On April 21st, Kimal Lumber will host **the 20th Annual Classic Car Show**. An event where the proceeds will be graciously given back to The Ronald McDonald House Charities Tampa Bay and Johns Hopkins All Children's Hospital. In a world where kindness often feels like a scarce commodity, there are beacons of hope that shine brighter than ever, illuminating the path toward a better tomorrow. Among these beacons stand The Ronald McDonald House Charities Tampa Bay and Johns Hopkins All Children's Hospital. All of us here at Kimal Lumber are extremely proud to be part of these two pillars of compassion.

At the heart of these organizations lies a simple yet profound mission: to provide comfort, support, and hope to families facing the unimaginable challenges of pediatric illness and injury. Every day, they serve as sanctuaries of solace, offering a haven where families can find respite amidst the storm, where children can receive the specialized care they need, and where hope is not just a fleeting dream but a tangible reality.

The Ronald McDonald House Charities Tampa Bay serves as a home away from home for families whose children are receiving medical treatment. In their time of greatest need, they offer more than just a place to stay; they provide a warm embrace of compassion, understanding, and support. From cozy accommodations to nourishing meals and a supportive community, they ensure that families can focus on what matters most: their child's recovery.

Similarly, Johns Hopkins All Children's Hospital stands as a beacon of excellence in pediatric care, offering a comprehensive range of medical services tailored to meet the unique needs of each child. Beyond medical treatment, they provide a comprehensive approach to healing, addressing not only the physical but also the emotional and spiritual well-being of their young patients and their families.

What truly sets these organizations apart is not just their dedication to providing world-class medical care, but their profound understanding of the human experience. They recognize that healing extends far beyond the confines of a hospital room or a temporary residence; it encompasses the love, support, and connection that surround each child and family throughout their journey.

The power of compassion can transform lives. Each donation, no matter how small, helps. In the spirit of giving, let us join hands and hearts in support of these remarkable organizations.

Please, come join us on April 21st from 9am to 1pm at the Venice Community Center, and help us celebrate this great event. Again, **no donation is too small**. If you would like to learn more about the event, please access our website below. Thank you, and God Bless.
