

A Day of Fun, Fellowship, and Giving Back

On October 25, Kimal Lumber hosted our annual Charity Golf Tournament — and what an incredible day it turned out to be. Under perfect skies and with great company, our customers, vendors, partners, and employees came together not just for a round of golf, but for a cause that truly matters.

This year's event proudly supported two remarkable organizations: Johns Hopkins All Children's Hospital and the Ronald McDonald House Charities of Tampa Bay. These charities provide critical support and comfort to children and families during some of life's toughest moments, and it's an honor for Kimal Lumber to play a small part in helping them continue their mission.

Thanks to the generosity of everyone involved, we're proud to share that together we raised over **\$22,000** in support of these amazing causes.

The theme of this year's tournament was simple but meaningful: giving back matters — and so do relationships. At Kimal, we believe that the power of community and the strength of partnerships are what make events like this possible. Whether it's our customers, vendors, employees, or friends, it's the people who rally together for good causes that truly embody what this country is all about — working hard, having fun, and lifting others up along the way.

From the first tee shot to the last putt, the day was filled with camaraderie, laughter, and plenty of friendly competition. It was a wonderful reminder that when good people come together with a shared purpose, wonderful things happen.

We also want to extend our sincere thanks to Waterford Golf Club for being such gracious hosts and for providing an exceptional environment for this charitable tournament. Their team went above and beyond to ensure the day ran smoothly, and their hospitality played a big part in making the event such a success.

And a very special note of appreciation goes to Lisa Ammerman, the backbone and driving force behind all of Kimal's charitable events. Her dedication, passion, and leadership make these moments possible year after year. Lisa, you truly deserve so much credit and gratitude for all that you do to help Kimal give back to our community.

We are both proud and humbled to be part of an industry — and a community — that continually steps up to support others. Events like this wouldn't be possible without the generosity of our sponsors, participants, and volunteers, whose time, effort, and enthusiasm made the day such a success.

To everyone who contributed — whether you played, sponsored, or helped behind the scenes — thank you. Your partnership and support help make a real difference in the lives of children and families right here in our community. We're already looking forward to next year's tournament and another great day of golf, friendship, and giving back. Until then, thank you for being part of the Kimal family and for helping us build something bigger than ourselves.
